Pilot data processing addendum

De-identified operational-data handling

Issue date: 2026-05-04

Prepared by: Daniel Panea Lichtig

Synthetic business document generated for the Private Company Memory Demo. All companies, people, domains, and scenarios are fictional.

Purpose

The pilot processes de-identified operational notes to improve clinic workflow briefings.

Excluded data

Patient-level clinical records, diagnostics, and treatment recommendations are outside the pilot scope.

Retention

Pilot source files are retained only for the evaluation period unless Caldresa approves an extension.

Deletion

Deleted source artifacts are removed from the raw store and the retrieval index is rebuilt.
